Compliance Information

Academic Status

To be eligible to represent Medaille College in intercollegiate athletics competition, a student-athlete shall be enrolled in at least a minimum full time program of studies, be in good academic standings and maintain satisfactory progress toward a baccalaureate or equivalent degree.

A student-athlete shall be in good academic standings as determined by the academic authorities who determine the meaning of such phrases for all students of the institution (enrolled college authorities, athletic director or compliance coordinator).

Transfer Process

If you are planning on transferring from Medaille College to another University, you must fill out and complete the NCAA Self Release form found on the NCAA.org website (linked on our compliance website). You will send the completed form to the Compliance Officer. Coaches are not allowed to contact you until the form is received by the University.

Hardship Waiver

A student-athlete may be granted an additional year of participation (per NCAA Bylaw 14.2.4) by the conference or the Committee on Student-Reinstatement for reason of “hardship”. Hardship is defined as an incapacity resulting from a season-ending injury or illness that has occurred under all of the conditions outlined in Bylaw 14.2.5 on the NCAA manual. Please contact the Compliance Officer for specific procedures in applying for a Hardship Waiver.
