

Medaille College
Official & Unofficial Recruiting Policy
For Student-Athletes Hosts, Prospective Student-Athletes, Coaches and Compliance Officer

Campus visits are an excellent opportunity for prospective student-athletes to learn about life at Medaille College. The following are Athletics Department policies designed to assist coaches with effective recruiting while protecting the College and the current student body.

The NCAA defines a recruiting visit in two ways. An **Official Visit** to a member institution by a prospective student athlete (PSA) is a visit financed in whole or in part by the member institution, or by a representative of the institutions athletic interests. An **Unofficial Visit** to a member institution by a PSA is a visit made at the PSA's own expense.

Official Visit –

- We may finance one visit to campus for a PSA.
- A PSA may not be provided an official visit earlier than the opening day of classes of the PSA's senior year in high school.
- An official visit shall not exceed 48 hours in duration.
- Coaches should keep record of official visits for NCAA monitoring purposes.
- Please see Compliance Officer for any questions or additional details about the official visit.

Unofficial Visit –

- A PSA may visit campus at his or her own expense an unlimited number of times.
- Coaches should keep record of unofficial visits for NCAA monitoring purposes.
- Please see Compliance Officer for any questions or additional details about the unofficial visit.

For either type of visit, please adhere to the following policies

- Student-athletes are responsible to review NCAA rules and Medaille's athletic recruiting policies with their coach prior to hosting a prospective student-athlete.
- Student-athletes must sign at the bottom of this form that they have reviewed and understand the rules and policies for prospective student-athlete visits.
- Student host will be aware of prospective student-athletes whereabouts at all times.
- Student host will contact head coach (or designated assistant coach) immediately should any incident, question or concern arise with the prospective student-athlete.
- Prospective student-athletes are only allowed to attend sanctioned college events.
- New York's drinking age is 21. It is against the law to serve alcohol to anyone who is not 21 years of age.
- Entertainment of prospective student-athletes is limited to on campus activities.
- Student host will not entertain prospective student-athletes with any illegal activities.
